

SPORTS

GWC Sports has the experience and assets needed to manage the logistical requirements of any indoor or outdoor championships, sporting events, conferences and exhibitions. Deploying dedicated resources to each event along with access to specialized handling and transportation capabilities, the department's trained team has repeatedly measured up as an accomplished one-stop provider of logistical solutions. Skilled at time bound operations, prioritization, issue resolution, inventory checks and even map reading; GWC Sports ensures that everything proceeds smoothly and without delay.

Passion

GWC encourages a culture of performance at every level, ensuring customer loyalty through delivering world-class services, solutions, and infrastructure. By acting as the client's diligent partner, GWC will tailor logistics and supply chain solutions that increases efficiency and reduces CAPEX.

Working closely on the biggest sports events held in Qatar since 2006, GWC Sports provides its clients with unmatched and well-entrenched local expertise, warehousing, distribution, and handling assets with the benefit of well-rounded international freight connections.

International championships

Working diligently to ensure executing these landmark events without a hitch, GWC Sports would demonstrate Qatar's readiness to handle international events in the run up to the World Cup 2022. Among the events that GWC Sports has supported have been:

- The Asian Games – Qatar 2006
- The AFC Asian Cup – Qatar 2011
- The 24th Men's Handball World Championship – Qatar 2015
- The AIBA World Boxing Championship – Qatar 2015
- The 2015 IPC Athletics World Championships – Doha 2015

The biggest and most exciting events demand the most precise planning and seamless logistics operations – contact us today to see how we can help you by calling: +974 4449 3000 or email us at: info@gwclogistics.com
